Dear ENGSO President Carlos Cardoso and ASPIRE Project Coordinator Orsolya Tolnay,

I write on behalf of ***Pan-Hellenic Association of Sports Journalists*** to express my interest and support for the project ASPIRE – Activity, Sport and Play for the Inclusion of Refugees in Europe.

We support the project and its main focus on social inclusion in relation to people who are in risk of exclusion, especially refugees.

Through this letter, we acknowledge the importance of the ASPIRE project, especially its main aim of offering suitable participation opportunities for refugees in and through sport, physical activity and play by the provision of training and coaching for facilitators across Europe.

We intend to contribute to its success; therefore, we would carry out the following activities:

- *Support research by sharing knowledge and information*
- *Support research by disseminating findings*

*Commit to make the **Pan-Hellenic Association of Sports Journalists** more accessible*

- *Organise a training session to implement the ASPIRE training module*
- *Support facilitators to practice their new skills and competences acquired through the ASPIRE training*
- *Support the organisation of the ASPIRE training session in **Greece***
- *Disseminate information about the project through our networks*

With the help of the ASPIRE project, we look forward to contributing to the social inclusion of refugees in and through sport, and achieving a sporting culture that is accessible and open for all.

Sincerely,

**Aspasia Velonaki**
